

# London Grammar, How Does It Feel

Let it burn  
Like fire  
Do you yearn for a change  
And i hope that you learned  
To never make the same mistake

Do you think about me  
When you're all alone  
When the tide comes in  
Tell me where will you go  
Do you think about us  
When you're feeling low  
Do you think about us

How does it feel  
Now that i am gone  
How does it feel  
How does it feel to get low  
How does it feel  
Now that i am gone  
How does it feel  
How does it feel to get low  
How does it feel  
How does it feel  
How does it feel  
How does it feel

Your regret now  
Does it hurt?  
In the confusion that things have stayed the same  
And i know  
Now i've learned  
To never make the same mistakes

Do you think about me  
When you're all alone  
When the tide comes in  
Tell me where will you go  
Do you think about us  
When you're feeling low  
Do you think about us

How does it feel  
Now that i am gone  
How does it feel  
How does it feel to get low  
How does it feel  
Now that i am gone  
How does it feel  
How does it feel to get low  
How does it feel  
How does it feel  
How does it feel  
How does it feel
