

# Look What I Did, I Kill Everything I Fuck

I'm infected with AIDS  
I fuck every day  
I kill everything I fuck

I'm infected with AIDS  
I fuck every day  
I kill everything I fuck

I fill you up with my disease  
Contaminate you with deadly needs  
My loaded cock is like a gun  
I'm a walking time bomb killing everyone

DIE! I'm infected with AIDS  
I fuck everyday  
I kill everything I fuck

I'm infected with AIDS  
I fuck everyday  
I kill everything I fuck

Let me be your stiff hard fuck  
Cram your cunt with poisonous cock  
Your hairy cunt will be my aim  
Deadly penetration is my game

DIE! I'm infected with AIDS  
I fuck everyday

Drenched in my fluids you'll never know  
I plant the seed of death untold  
Before I die, I hope I do  
Kill many more, as I've killed you

DIE! I'm infected with AIDS  
I fuck everyday  
I'm infected with AIDS  
I fuck everyday  
I'm infected with AIDS  
I fuck everyday  
I'm infected with AIDS
