

Loraine McFarland, Miss Streisand

Verse 1

- She is one of the best singers i've seen
- Turning some heads and doing some amazing things
- People still don't think that she can
- But she's proved them all wrong
- So watch her fly

Chorus

- There is no one quite like
- Barbra Streisand
- Proving she can do her best
- Doing things like a man
- She has done some classics
- Like funny girl
- She is still our leader
- And thats Miss Streisand

Verse 2

- Just because she came from an older time
- Dosen't mean she can't be a guilty pleasure
- Don't forget people still need people
- Give me some Evergreen, My Man, The Way We Were

Coda

- Papa, Can You Hear Me
- Watch me fly
- On A Clear Day You Can See
- Forever and ever and ever!
