Loren Allred, Never Enough (piosenka z filmu Krá

I'm trying to hold my breath Let it stay this way Can't let this moment end You set off a dream in me Getting louder now Can you hear it echoing? Take my hand Will you share this with me? 'Cause darling, without you

All the shine of a thousand spotlights
All the stars we steal from the night sky
Will never be enough
Never be enough
Towers of gold are still too little
These hands could hold the world but it'll
Never be enough /2x

For me Never, never /2x Never, for me For me Never enough /3x For me /3x
