

Louisa Johnson, Best Behaviour

I got eyes
I'm human
But it's only a view
Cuz I don't wanna ruins loving you
Loving you
I got habits to let go
It's wath I gotta do
Cuz I don't wanna mess up loving you
Loving you

Baby I swear to you
I'm decided
Give me your trust and I'll try not to break it

You got me on my best behavior
I'm on my best behavior
Know what you're good for me
I wanna be good to you
I'm on my best behavior
I'm on my best behavior
Know what you're good for me
I wanna be good to you

I Know what you're good for me
I wanna be good to you

And it's tempting to touch
But won't ever do it
Use your love /2x
Got my past on the phowne now
But I'm hanging it up
Coz I don't wanna go out
Lose your love /2x

Baby I swear to you
I'm decided
Give me your trust and I'll try not to break it

You got me on my best behavior
I'm on my best behavior
Know what you're good for me
I wanna be good to you
I'm on my best behavior

Know what you're good for me
