

# LP, Lost On You

When you get older, plainer, saner  
Will you remember all the danger we came from?  
Burning like embers, falling, tender  
Only before the days of no surrender years ago  
And well you know  
Smoke them if you got them  
'Cause it's going down  
All I ever wanted was you  
I'll never get to heaven  
'Cause I don't know how  
Let's raise a glass  
Or two!  
To all the things I've lost on you  
Tell me, are they lost on you?  
Just that you could cut me loose  
After everything I've lost on you  
Is that lost on you?

Is that lost on you?  
Baby, is that lost on you?  
Is that lost on you?!

Wishing I could see them back in nations  
Understand the toil of expectations in your mind  
Hold me, like you never lost your patience  
Tell me that you love me more than hate me all the time  
And you're still mine  
So smoke them if you've got them  
'Cause it's going down  
All I ever wanted was you  
Let's take a drink of ever lick and turn around  
Let's raise a glass  
Or two!  
To all the things I've lost on you  
Tell me, are they lost on you?  
Just that you could cut me loose  
After everything I've lost on you  
Is that lost on you?

Is that lost on you?  
Baby, is that lost on you?  
Is that lost on you?!

Let's raise a glass  
Or two!  
To all the things I've lost on you  
Tell me, are they lost on you?  
Just that you could cut me loose  
After everything I've lost on you  
Is that lost on you?  
Is that lost on you?
