

# LSD (Sia, Labrinth & Diplo), Mountains

Heck yeah breathe you  
Darling I see you  
I hope you see me too  
I want to know you

here ain't o rocky ground  
I put one million down  
when you walk I kiss the ground  
hey, hey, I love you

so what we gotta lose  
what we gotta move  
I move mountains  
I can see it through  
I can do it too  
like a prophet

what we gotta lose  
what we gotta move  
I move mountains  
I'd do anything for you  
anything to move  
move, mountains

sing it!

mountains, mountains  
mountains, mountains  
mountains, mountains  
mountains, mountains

Lord I am so blessed

cuz you come with interest

fill up my pocket  
I want to own you

so what we gotta lose  
what we gotta move  
I move mountains  
I can see it through  
I can do it too  
like a prophet

what we gotta lose  
what we gotta move  
I move mountains  
I'd do anything for you  
anything to move  
move, mountains

sing it!

mountains, mountains  
mountains, mountains  
mountains, mountains  
mountains, mountains
