## LSD (Sia, Labrinth & Diplo), Mountains

Heck yeah breathe you Darling I see you I hope you see me too I want to know you

here ain't o rocky ground I put one million down when you walk I kiss the ground hey, hey, I love you

so what we gotta lose what we gotta move I move mountains I can see it through I can do it too like a prophet

what we gotta lose what we gotta move I move mountains I'd do anything for you anything to move move, mountains

## sing it!

mountains, mountains mountains, mountains mountains, mountains mountains, mountains

Lord I am so blessed

cuz you come with interest

fill up my pocket I want to own you

so what we gotta lose what we gotta move I move mountains I can see it through I can do it too like a prophet

what we gotta lose what we gotta move I move mountains I'd do anything for you anything to move move, mountains

## sing it!

mountains, mountains mountains, mountains mountains, mountains mountains, mountains
