

# LSD (Sia, Labrinth & Diplo), Thunderclouds

all i need is one  
one old man is enough  
babe, you got it wrong  
please turn your fears into trust, trust

where's the love go  
when all is said and done

hey now I got your hands in the air  
I'mma go through your stuff

where's the love go  
you put the running into run

you asking me to stay  
but I never met a girl I could trust

you're sayin' those words  
like you hate me now  
our house is burning  
when you're raised in hell

here in the ashes your soul cries out  
but don't be afraid of these thunderclouds

the thunderclouds  
the thunderclouds

all I need is love  
all I need is a word  
all I need is us  
you turn nouns into verbs, to verbs

where's the love go  
when all is said and done

hey now I got your hands in the air  
I'mma go through your stuff

where's the love go  
you put the running into run

you asking me to stay  
but I never met a girl I could trust

you're sayin' those words  
like you hate me now  
our house is burning  
when you're raised in hell

here in the ashes your soul cries out  
but don't be afraid of these thunderclouds

the thunderclouds  
the thunderclouds
