

Lucie Silvas, Nothing Else Matters

So close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
'Cause nothing else matters

I never opened myself this way
Life is ours, we do it our way
All these words I just don't say
'Cause nothing else matters

Never cared for what they do
Never cared for what they know
But I know

So close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
'Cause nothing else matters

Never cared for what they do, no
Never cared for what they know, no
Never cared for what they do, no
But I know

Trust I seek but I find in you
Every day for us, something new
Open mind for a different view
'Cause nothing else matters

Never cared for what they say
Never cared for games they play
Never cared for what they do
Never cared for what they know
And I know

So close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
'Cause nothing else matters
