

# Lukas Graham, Happy For You

Once you left i went to space  
I don't recognize this place  
Where are you  
Where are you

Now i miss te smallest things  
I am not ready for this change  
Where are you  
Where are you

Can't help but Wonder

Are you ready /3x  
Now  
Do you forgive me  
Am i something you can talk about  
I hear you're moving on  
And now you got it figured out  
Well i am happy /3x  
For you  
Are you really gonna tell me that you're better now  
Hay ain't it funny  
Ho we swore we couldn't live without  
Each other now  
You got another  
Go it figured out  
Well i am happy /3x  
For you  
happy For you  
Juž want to be happy too

Love you miss all the same  
Either way it takes up space  
I had you  
I had you

Hunted by the ghost of us  
Sorry now i am said to much  
I had to  
I had you

Can't help but Wonder

Are you ready /3x  
Now  
Do you forgive me  
Am i something you can talk about  
I hear you're moving on  
And now you got it figured out  
Well i am happy /3x  
For you  
Are you really gonna tell me that you're better now  
Hay ain't it funny  
Ho we swore we couldn't live without  
Each other now  
You got another  
Go it figured out  
Well i am happy /3x  
For you  
happy For you  
Juž want to be happy too

I've lived with all this long enough  
Long enough

Don't you still Wonder  
If i could have been us

Are you ready /3x  
Now  
Do you forgive me  
Am i something you can talk about  
I hear you're moving on  
And now you got it figured out  
Well i am happy /3x  
For you  
Are you really gonna tell me that you're better now  
Hay ain't it funny  
Ho we swore we couldn't live without  
Each other now  
You got another  
Go it figured out  
Well i am happy /3x  
For you  
happy For you  
Juz want to be happy too
