## Luna, Indian Summer

Hey girl, sweet thing I want everything You love me too And I want you Well I think I'm gonna Jump right through your window And I think I'm gonna Jump into your life Cause you got me in a bad situation And I want you Well the TV says that Love is all around us And the astronauts Can feel it far away But it's got me in a bad situation And I want you Yeah I think I'm gonna Take a short vacation And I think we're gonna Have to start anew Cause you got me in a bad situation And I want you
