Luna, Tiger Lily

you spent the night in a steel hotel where the birds whistled where the birds whistled you have to wonder what's goin' on and maybe this time you're overdrawn this time around the pressure's on you hope for happiness your hand are scarred i've seen your girl you think she's cute don't make her crazy don't make her sad the sky is painted deep shade of blue i hope for happiness this time around the pressure's on you hope for happiness your hand are scarred
