Around you

You said
Shut your mouth
Words cant unbound you

Will you pay the ransom?
Will you pay the ransom?

Draw me to your shadow
And down by the woods we'll
And down by the woods we'll
Bleed

If I had half the time with you
Will you survive me?

If I had half the words to say
Will you believe me?

If I had half the tears to cry
Will you undress me?

And if I had half the strength the breathe
What would you do?

But I'm still alive
I'm still alive

Draw me to your shadow
And down by the woods we'll
And down by the woods we'll
Bleed

Draw me to your shadow
And down by the woods we'll
And down by the woods we'll
Bleed
