

# Mabel, Trouble

[Verse 1]

Make me feel good, you make me feel good  
You make me do things that I never would  
No question how you feelin' 'cause it's understood  
Really want it, really want it, really want your body on it  
Show you things that nobody's ever shown  
Take a little hit 'cause it's edible  
But I could change your life for the better though  
Think about it, think about it, think about how good you got it

[Pre-Chorus]

So hold me close  
There's no fire without smoke

[Chorus]

Yeah, I came looking for trouble  
Yeah, I came looking for you 'cause I can't get you out my head  
I know instead, I should've stayed at home  
Yeah, I came looking for trouble  
And I get everything I need, do as I please  
Living dangerously, living dangerously

[Post-Chorus]

I came looking for  
Trouble, trouble, trouble  
Yeah, I came looking for trouble

[Verse 2]

I don't want the bad feelings that I had before  
Take me to a place to forget it, oh  
Show me all your love like a waterfall  
Washing over, washing over, washing all over my body

[Pre-Chorus]

I'm ecstatic  
I'm so out of control  
So hold me close  
There's no fire without smoke

[Chorus]

Yeah, I came looking for trouble  
Yeah, I came looking for you 'cause I can't get you out my head  
I know instead, I should've stayed at home  
Yeah, I came looking for trouble  
And I get everything I need, do as I please  
Living dangerously, living dangerously

[Post-Chorus]

I came looking for  
Trouble, trouble, trouble  
Yeah, I came looking for trouble

[Bridge]

Send out your love and know  
I can't walk away from you now, now  
And when you got me up  
You make me forget I was ever down  
You never let me down  
Now we're doing nothing wrong  
I know you're no good for me, but it feels good  
So baby, don't let go  
I know I shouldn't, but

[Chorus]

Yeah, I came looking for trouble  
Yeah, I came looking for you 'cause I can't get you out my head  
I know instead, I should've stayed at home  
(And you know what I want, yeah)  
Yeah, I came looking for trouble  
And I get everything I need, do as I please  
Living dangerously, living dangerously

[Post-Chorus]

I came looking for trouble, trouble (Yeah, yeah, yeah)  
Looking for trouble, trouble (Yeah, yeah, yeah)  
Looking for trouble, trouble  
Yeah, I came looking for trouble
