

Machine Gun Kelly, Bloody Valentine

the simulation just went bad
but you're the best I ever had
like hand prints in wet cement
she touch me it's permanent

in my head /2x
I couldn't hear anything you said but
in my head /2x
I am calling you girlfriend
what the fuck?

I don't do fake love
but I'll take some from you tonight
I know I 've got to go but I might just miss the flight
I can't stay forever, let's play pretend
and treat this night like it'll happen again
you'll be my bloody valentine tonight

I'm overstimulated and I am sad
I don't expect you to understand
it's nothing less than true romance
or am I just making a mess

in my head /2x
I couldn't hear anything you said but
in my head /2x
I am calling you girlfriend
what the fuck?

I don't do fake love
but I'll take some from you tonight
I know I 've got to go but I might just miss the flight
I can't stay forever, let's play pretend
and treat this night like it'll happen again
you'll be my bloody valentine tonight

I can't hide
how I feel abput you
inside
I'd give everything up
tonight
if I could just have you be mine
be mine, baby

I can't hide
how I feel abput you
inside
I'd give everything up
tonight
if I could just have you be mine
be mine, baby

I can not hide this feelings /2x
I'd give up everything for you /2x

I don't do fake love
but I'll take some from you tonight
I know I 've got to go but I might just miss the flight
I can't stay forever, let's play pretend
and treat this night like it'll happen again
you'll be my bloody valentine tonight
