

# Madison Beer, BOYSHIT

I am letting you in you're letting me down  
I swear when you talk you just like the sound  
One too many Times left  
I let you ruin my life  
Cause  
I thought you would change  
But i see it now

All the yelling  
And kissing  
And fighting  
Qw never could see yey to eye cause  
You might seem ike a man  
But you're not one\*
