

# Madison Beer, Dangerous

I remember you this way  
Keep it safe inside my memory  
But I've held you here for far too long  
I wonder if you think of me  
I'm still putting up a fight  
While you're off and you're forgetting me  
Never got the chance to tell our story  
A tale as old as time

Where does it go, is it something I said? (Something I said)  
Why am I alone in this bed?

Tell me the truth  
What did I do? Look at me  
Why can't I see? No it can't be this easy  
To let me go  
But if you say so, guess I make love  
Too dangerous

Right when I think I hate you  
Something pulls me under like the tide  
Even picked a house and chose our kids' names  
You'd always be mine

Where did you go, is it something I said? (Something I said)  
Why am I alone in this bed?

Tell me the truth  
What did I do? Look at me  
Why can't I see? No it can't be this easy  
To let me go  
But if you say so, guess I make love  
Too dangerous

Ooh-ooh, I do

Tell me the truth  
What did I do? Look at me  
Why can't I see? No it can't be this easy  
To let me go  
Ooh...
