Madonna, Deeper And Deeper

Deeper and deeper and deeper Sweeter and sweeter and sweeter

[Chorus:]

I can't help falling in love I fall deeper and deeper the further I go Kisses sent from heaven above They get sweeter and sweeter the more that I know

When you know the notes to sing You can sing most anything That's what my mama told me Round and round and round you go When you find love you'll always know I let my father mold me

[Bridge:]

Daddy couldn't be all wrong (Not gonna let you slip away, I'm gonna be there) And my mama made me learn this song (You're gonna bring your love to me, I'm gonna get you) That's why

[chorus]

The deeper I go
All is fair in love she said
Think with your heart, not with your head
That's what my mama told me
All the little things you do
Will end up coming back to you
I let my father mold me

[bridge] [chorus, repeat]

Someone said that romance was dead And I believed it instead of remembering What my mama told me Let my father mold me Then you tried to hold me You remind me what they said This feeling inside I can't explain But my love is alive And I'm never gonna hide it again

[bridge] [chorus]

Deeper and deeper and deeper Never gonna hide it again Sweeter and sweeter and sweeter Never gonna have to pretend [repeat]

You got to just let your body move to the music You got to just let your body go with the flow Falling in love, falling in love I can't keep from falling in love with you You know there's nothing better that I'd like to do
