

# Madonna, GANG BANG

Like a bitch out of order  
Like a bat out of hell  
Like a fish out of water  
I'm scared, can't you tell  
Bang Bang  
Bang Bang

I thought you were good  
But you painted me bad  
Compared to the others  
you're the best thing I had  
Bang Bang, shot you dead  
Bang Bang, shot you dead

I thought it was you  
And I loved you the most  
But I was just keeping  
My enemies close  
I made a decision, I would never look back  
So how did you end up with all my jack?  
Bang Bang, shot you dead  
Bang Bang, shot you dead (in the head)

Bitch out of order  
Bat out of hell  
Fish out of water  
I'm scared, can't you tell  
Bang Bang, shot you dead  
Bang Bang, shot you dead

I made a decision,  
I would never look back  
So how did you end up with all my jack?

Bang Bang, shot you dead  
Bang Bang, shot you dead

Bang Bang, shot you dead, shot my lover in the head  
Bang Bang, shot you dead and I have no regrets  
Bang Bang, shot you dead in the head  
Bang Bang, shot you dead, shot my lover in the head

And then I discovered  
It couldn't get worse  
You were building my coffin  
You were driving my hearse  
Bang Bang, shot you dead  
Bang Bang, in the head

I thought it was you  
And I loved you the most  
But I was just keeping  
My enemies close  
I made a decision,  
I would never look back  
So how did you end up with all of my jack?  
Bang Bang, shot you dead, in the head

Bang Bang, shot you dead, my lover in the head  
Bang Bang, shot you dead and I have no regrets  
Bang Bang, shot you dead, in the head

Bang Bang, shot you dead, shot my lover in the head

You had to die for me baby

You had to die for me baby

1 2 3...

1 2 3...

Bang Bang, shot you dead, shot my lover in the head  
Bang Bang, shot you dead, shot my lover in the head  
Bang Bang, shot you dead, shot my lover in the head,  
Now my lover is dead, and I have no regrets  
He deserved it

And I'm going straight to hell  
And I've got a lot of friends there  
And if I see that bitch in hell  
I'm gonna shoot him in the head again  
Cause I wanna see him die  
Over and over and over and over and over and over and over and over  
Now drive bitch  
I said: "Drive bitch"  
And while you're at it, die bitch  
That's right drive bitch  
Now drive bitch  
I said: "Drive bitch"  
And while you're at it, die bitch  
That's right drive bitch

Now if you're gonna act like a bitch  
Then you're gonna die like a bitch
