Madonna, I Love New York

I don't like cities But I like new york Other places make me feel like a dork Los Angeles is for people who sleep Paris and London Baby you can keep

[Chorus]
Other cities always make me mad
Other places always make me sad
No other city ever made me glad except New York
I love New York [X3]

If you don't like my attitude Then you can F off Just go to Texas Isn't that where they golf

New York is not for little pussies who scream If you can't stand the heat Then get off my street [repeat]

[Chorus]

I love New York [repeat] Get off my street [repeat]
