

# Madonna, I Rise

us kids don't know what we're talking about  
that we're too young to understand  
how the government works  
we call BS

I'm going through it  
I know you see the tragic in it  
just hold on to the little bit of magic in it  
I can't break down now  
I can't take that now  
died a thousand times  
manage to survive  
I can't break down now  
I can't take that now

I rise /3x  
up above it /2x  
/2x

there's nothing you can do to me  
that hasn't been done  
not bulletproof, shouldn't have to run from a gun  
river of tears ran dry, let them run  
no game that you can play with me  
I am alone

I'm going through it  
I know you see the tragic in it  
just hold on to the little bit of magic in it  
I can't break down now  
I can't take that now  
died a thousand times  
manage to survive  
I can't break down now  
I can't take that now

I rise /3x  
up above it /2x  
/2x

I manage to survive  
freedom's what you choose to do with  
what's been done to you  
no one can hurt you unless you want them to  
no one can hurt you unless you love them to  
unless you love them to

I'm going through it  
I know you see the tragic in it  
just hold on to the little bit of magic in it  
I can't break down now  
I can't take that now  
died a thousand times  
manage to survive  
I can't break down now  
I can't take that now

I rise /3x  
up above it /2x  
/2x
