

# Madonna, Nobody's Perfect

Cool I am  
When I am with you  
Cool I'm not  
When I am lonely

I feel so sad  
What I did wasn't right  
I feel so bad  
And I must say to you

Sorry, but

Nobody's perfect  
Nobody's perfect  
What did you expect  
I'm doing my best

I feel so sad  
But you know I'll be true  
I feel so bad  
And I must say to you

Sorry, but

Nobody's perfect  
Nobody's perfect  
What did you expect  
I'm doing my best

Nobody's perfect  
Nobody's perfect  
I was dishonest  
I will do my best  
Yeah

Cool I am  
When I am with you  
Cool I'm not  
When I am lonely

Nobody's perfect  
Nobody's perfect  
What did you expect  
I'm doing my best

Nobody's perfect  
Nobody's perfect  
I was dishonest  
I will do my best  
Yeah

Mmm, mmm, yeah  
Mmm, mmm, yeah  
Perfect, perfect, perfect, perfect  
[repeat and fade]
