

# Madonna, Supernatural

Made your acquaintance late one night  
You were floating around, you know you gave me quite a fright  
You didn't seem like an ordinary man  
More like a ray of light

You transcendently imposed yourself upon my bed  
You know you didn't say very much  
I'm out of body and I feel so good in my head  
You know I'm really quite touched

I wake up with your fragrance and it's all over me  
What cologne do you wear?  
I walk around with a smile on my face, 'cause you're close to me  
Well I know you're somewhere

Gonna take my chance on a different kind of romance  
A supernatural thing  
Gonna have my fill, it gives me such a big thrill to be with  
A supernatural thing

I stay uplifted for quite some time  
(or: you say you've lived here for quite some time)  
And I'd say that your skills as a lover are very refined  
You know just what I want and I don't have to ask  
Are you reading my mind?

You're not demanding for a man, that's really quite rare  
You're not the least bit obsessed with your hair  
You're not upset when I come home later than ten  
For a ghost you're a very good friend

I've got to be a very careful, never know what the neighbors would say  
They already think I'm crazy  
I wouldn't like to wake up and find myself in the family way  
A ghost baby?

Gonna take my chance on a different kind of romance  
A supernatural thing  
Gonna have my fill, it gives me such a big thrill to be with  
A supernatural thing

I can't see you (so hot)  
I know you're out there you little rascal  
Stop that

I've got to be a very careful, never know what the neighbors would say  
They already think I'm crazy  
I wouldn't like to wake up and find myself in the family way  
A ghost baby?

Gonna take my chance on a different kind of romance  
A supernatural thing  
Gonna have my fill, it gives me such a big thrill to be with  
A supernatural thing

Gonna take my pants off for a different kind of romance  
That super-duper naturally big thing  
It's outrageously large  
(super-duper, supernatural, so hot, so hot, supernatural)  
(fade)
