

# Madonna, Till death us do part

Our luck is running out of time  
You're not in love with me anymore  
I wish that it would change, but it won't, if you don't  
Our luck is running out of time  
You're not in love with me anymore  
I wish that it would change, but it won't  
'Cause you don't love me no more  
You need so much but not from me  
Turn your back in my hour of need  
Something's wrong but you pretend you don't see  
I think I interrupt your life  
When you laugh it cuts me just like a knife  
I'm not your friend, I'm just your little wife  
They never laugh, not like before  
She takes the keys, he breaks the door  
She cannot stay here anymore  
He's not in love with her anymore  
The bruises they will fade away  
You hit so hard with the things you say  
I will not stay to watch your hate as it grows  
You're not in love with someone else  
You don't even love yourself  
Still I wish you'd ask me not to go  
He takes a drink, she goes inside  
He starts to scream, the vases fly  
He wishes that she wouldn't cry  
He's not in love with her anymore  
He makes demands, she draws the line  
He starts the fight, she starts the lie  
But what is truth when something dies  
He's not in love with her anymore  
You're not in love with someone else  
You don't even love yourself  
Still I wish you'd ask me not to go  
She's had enough, she says the end  
But she'll come back, she knows it then  
A chance to start it all again  
Till death do us part
