

# Madrugada, Ramona

Here's to you  
Ramona  
... I become alive  
We're through  
Ramona

I'm gonna wait by your side  
I've got five thousand dollars  
And I want to take you home  
I got five thousand dollars  
You won't be leaving here alone

There is no tomorrow  
There is no tomorrow  
There is no tomorrow  
Yeah

I get off  
Ramona  
... to let you down  
You know there's just enough lovin'  
In this heart of mine  
To do it with you one more time

We're gonna shout  
Ramona  
We're gonna cry  
We're gonna celebrate  
You know that there is no tomorrow  
So none of this can't wait

There is no tomorrow  
There is no tomorrow  
There is no tomorrow  
Yeah

Here's to you  
Ramona  
We're going down in flames  
I don't praise  
Ramona  
Well did it ...  
It's just down by the river  
They call it the Bitter End  
There is a place down by the river  
You know they call it the Bitter End

There is no tomorrow  
There is no tomorrow  
There is no tomorrow  
There is no tomorrow  
There is no tomorrow  
There is no tomorrow  
Yeah

I got just this one chance  
To redeem myself
