

# Maite Kelly, What have I done

So you try to live a life  
It's got you turning rounds as the years go by  
They say you can't love one back  
It's too late your caught, and there's no way getting out  
What have I done, oh baby  
What have I done to lose you this way  
What have I done, oh baby  
What have I done  
I'll break that trap, I'll take off that mask  
If you don't know just how to call me baby  
You don't know how to get  
If you you don't know how to get back home  
What have I done, oh baby  
What have I done to lose you this way  
What have I done, oh baby  
What have I done  
If I can't get lost in you (if I can't get), if I can't get lost in me (if I can't get)  
Oh if I can't get lost in you, then I can't get lost in me  
If I can't get lost in you, then I can't get lost  
What have I done, oh baby  
What have I done to lose you this way  
Tell me what have I done, oh baby  
What have I done  
Oh you don't know how to get  
If you, you don't know how to get  
You don't know how to get back home  
Call me, call me baby  
You don't know how to get  
You don't know how to get  
You don't know how to get back home  
Call me baby
