

Major Lazer & DJ Snake, Lean On (feat. MØ)

Do you recall, not long ago
When you walked on the sidewalk?
And I still remember
All we did was care for each other

But the night was warm
We were bold and young
All around the wind blows
We would only hold on to let go

Blow a kiss
We need someone to lean on
Fire a gun
All we need is somebody to lean on
/2x

What will we do when we get home?
Will we walk down the same road?
Will you be there by my side?
Standing strong as the waves roll over

But the nights are long
Longing for you to come home
All around the wind blows
We would only hold on to let go

Blow a kiss
We need someone to lean on
Fire a gun
All we need is somebody to lean on
/2x

All we need is somebody to lean on
(We need someone to lean on)
All we need is somebody to lean on
Lean on...
Hey /10x

Blow a kiss
We need someone to lean on
Fire a gun
All we need is somebody to lean on
/2x
