

# Major Lazer, Titans (feat. Sia & Labrinth)

I drop it like its hot  
Into this party  
Hey /3x  
I pop another bottle  
And turn up baby

I am only one fight down  
So give me one more round

We are the Titans  
We can't stop fighting  
We're only one night down  
We are the Titans  
We are all nighting  
We're only one night down  
Gonna turn this night around

Gonna turn  
Gonna turn  
Gonna turn around\*
