

Maneskin, Supermodel

Alone at parties in a deadly silhouette
She loves the cocaine, but cocaine don't love her back
When she's upset, she talks to Maury and takes deep breaths
She's a 90's supermodel, uh-uh-uh
Way back in high school, when she was a good Christian
I used to know her, but she's got a new best friend
A drag queen named The Virgin Mary takes confessions
She's a 90's supermodel

Yeah, she's a monster, my compliments
If you wanna love her, just deal with that
She'll never love you, more than money and cigarettes
Every night's a heartbreak

Hey, don't think about it, hey, just let it go
'Cause her boyfriend is the rock'n'roll (Hey)
Savor every moment till she has to go
'Cause her boyfriend is the rock'n'roll

Alone at parties, she's working around the clock
When you're not looking, she's stealing your Basquiat
Low waisted pants on OnlyFans, I'll pay for that
She's a 90's supermodel

Yeah, she's a monster, my compliments
If you wanna love her, just deal with that
She'll never love you, you just look a bit like her dad
Every night's a heartbreak

Hey, don't think about it, hey, just let it go
'Cause her boyfriend is the rock'n'roll (Hey)
Savor every moment till she has to go
'Cause her boyfriend is the rock'n'roll

Eh, huh-uh
She's a 90's supermodel, uh-uh-uh
She's a 90's supermodel, uh-uh-uh
