

Mannequin Mars, Oh My Gosh

Mama gimme that bass!

This official wrap
has gone the exact
way somebody new has to go
I'm not a freak
not a jock
get my hands up
every time that they be walkin my walk
I'm not a savior
So adios bitch
I think that you're cool with this bit
I get around in all the right ways
Such a player
Mama will say
(mama will say):

"Oh my gosh, gosh
What is happening?
It's such a rush, rush
Oh my gosh
Oh my gosh, gosh
What is happening?
Ain't that enough
Oh my gosh"

Oh my gosh
Go "Oh my gosh"
Oh my gosh
Go "Oh my gosh"
Oh my gosh
Go "Oh my gosh"
Oh my gosh and go... (2x)

I get around
Go round, round and round
I'm a low-budget movie
Friggin' sleeper in the crowd
a sudden blockbuster
and a pro cockblocker
this rhythm, this rhythm, this rhythm
Goes down (like a monster)
I don't wanna get by as a sinner
They be trippin' in the moment when they see
I'm a winner
I don't see myself as a sinner
I'mma go go with the flow
And deliver
I go "oh oh"
My style is so WOAHH
I'mma bite the contradictions
My mama gon' say "Oh oh.."

"Oh my gosh, gosh
What is happening?
It's such a rush, rush
Oh my gosh
Oh my gosh, gosh
What is happening?
Ain't that enough
Oh my gosh"

(Hit me with that autotune)
Mama gimme that bass

I'm so sorry for the trouble
Oh mama, hear me please
I'm gonna give the drums a double kick
You're gonna be amazed
How your big boy wins the fuckin' race
Multiple, multiple ways
Now won't you follow me
and step up, step up
This is ain't enough
If the beat gon' stop - don't stop
we're not gonna do no pause
See, see?
There's no stopping us
We are rebels without a cause
We don't like no fuss
So let me, let me see
how you rock
rock, rock, rock, rock
Let me see how you rock
rock, oh
Let me see how you rock
rock, rock, oh
Let me see how you
rock, rock, rock, rock, rock, rock

"Oh my gosh, gosh
What is happening?
It's such a rush, rush
Oh my gosh
Oh my gosh, gosh
What is happening?
Ain't that enough
Oh my gosh"
