

Marcin Maciejczak, Midnight dreamer (piosenka na Eurovizja 2024)

Fallin' for your eyes
Cost me paradise
Take me for another day,
Another day

Oh I'm dancing, I'm moving, I'm feeling deny
I'm holding your hand to get look to sunrise
I want you to know, I want you to know that I'm losing control.

Turn off the lights
If you want me again..
Turn off the lights
If you want me again
I'm a midnight dreamer
Turn off the lights

If you want me again
I'm midnight dreamer

Morning at your place
Looking to escape
Chasin' for another night
Another night

Oh I'm dancing, I'm moving, I'm feeling deny
I'm holding your hand to get (???) to sunrise
I want you to know, I want you to know that I'm losing control.

Turn off the lights
If you want me again..
Turn off the lights
If you want me again
I'm a midnight dreamer
Turn off the lights
If you want me again
I'm midnight dreamer

Sorry I want apologies
I was hurt to you many times
Here's the corner of broken toys
You are not like the other boys

Turn off the lights
If you want me again
I'm a midnight dreamer
Turn off the lights
If you want me again
I'm midnight dreamer
Turn off the lights
If you want me again
I'm a midnight...
I'm a midnight dreamer...
