[Marcus]:

Pay no attention  
Noooooo

[Marcus]:

To the fear not a doubt  
Blocked them haters all around  
They won't bother us  
They won't bother us

Pay no attention  
I know that you've been hurt  
And I know how to get you good  
They won't bother us  
They won't bother  
They won't bother us

[Martinus]:

Baby when you feel like this  
When I feel like this  
Tell me do you believe in love  
Baby when it's real like this  
You and me like this  
Does it make you believe in love?

I make you a believer
