

Margaret, Catch Me If You Can

No tears in the rearview mirror
Made my getaway
All you had to do was give me
One good reason to stay
Shake the dirt right off my shoulders
Time to celebrate
It's a new day, clean slate
And I'm dying to live again

I'm chased by the lights
On the run for the night
I'm trying, I'm trying to lose my mind
Le Le loose my mind

Catch me if you can
Never gonna fool myself again
My love, ooh
You'll never understand
Catch me if you can
You're never gonna leave with just a dance
My love, ooh
Catch me if you can, baby

Can't keep this up forever
One place left to hide
Sold my soul to the discotheque to
Buy me a little more time

Don't stop dancing, don't start talking
I'm not here to fix my problems
I'm trying, I'm trying to lose my mind
Le Le loose my mind

Catch me if you can
Never gonna fool myself again
My love, ooh
You'll never understand
Catch me if you can
You're never gonna leave with just a dance
My love, ooh
Catch me if you can, baby

Catch me if you can
Catch me if you
Catch me if you
Catch me if you can
Catch me if you can
Catch me if you
Catch me if you

Catch me if you can
Never gonna fool myself again
My love, ooh
You'll never understand
Catch me if you can
You're never gonna leave with just a dance
My love, ooh
Catch me if you can, baby
