Hey, hey

Me and my ? all around the town  
Bum, bum, bum  
As the house crumble down  
Get onto the dance floor  
Vibes is getting sick  
Bum, bum, bum  
Pumping basemen every kick

Oh, wasted  
Oh, I feeling wasted  
Candlelight haze me  
What did I do last night?  
Wasted  
Someone better shake me  
Feel the lack ...  
Oo, last night

I don?t remember it!

Hey, hey

Joan is getting blurry  
Jack ... too  
Bum, bum, bum  
Fell my head into the buzz  
Last thing I remember  
Banging on this door  
Bum, bum, bum  
Have I done like this before?

Oh, wasted  
Oh, I feeling wasted  
Candlelight haze me  
What did I do last night?  
Wasted  
Someone better shake me  
Feel the lack ...  
Oo, last night

I don?t remember it!

Hey, hey

What did I do?  
Now I speak with a snore  
What did I do?  
Now it?s all in the ...  
What did I do?  
I can?t remember a thing  
Don?t have a clue  
I am in on distant day
