

# MaRina, On My Way

Haunting  
No matter to replete my mistake  
Hey, like a broken sword  
Poison  
Why you keep shooting your (?)  
And my heart

Yesterday don't even call me  
Coz I'm not there  
Got tomorrow  
Waiting on the runway  
And you can find me

I'm On My Way  
Hey, hey,  
I'm On My Way  
Hey, hey,  
I'm On My Way  
Hey, hey,  
I'm walking on the cloud  
That you used to drove me out

Toxic  
You can (?) love again  
But you play, play  
(?)  
And you're frozen  
Your (?) would never found my heart

Yesterday don't even call me  
Coz I'm not there  
Got tomorrow  
Waiting on the runway  
And you can find me

I'm On My Way  
Hey, hey,  
I'm On My Way  
Hey, hey,  
I'm On My Way  
Hey, hey,  
I'm walking on the cloud  
That you used to drove me out

You can reach my heart  
I'm available  
We're worlds apart tonight  
(?)  
You could see me here  
Goodbye

I'm On My Way  
Hey, hey,  
I'm On My Way  
Hey, hey,  
I'm On My Way  
Hey, hey,  
I'm walking on the cloud  
That you used to drove me out
