

Mario, Forever (feat Rick Ross)

I'm never letting go
If you're never letting go
I'd lost everything if I lose you baby
I'm never letting go
If you're never letting go
They say nothing's forever
But I want you forever baby
Forever, I want this forever
Forever, I want you forever, baby
Forever, I want this forever
They say nothing's forever
But I want you forever

I don't know what it is
It hurts
But it's obvious
You don't want to let it go
I don't know how it'd be without you
I'm scared and I just don't want to let it show
Got money, but I still bitch be lonely
Crib on the beach, get you the key
Just tell me I'll be there
I'm sorry I didn't know, that you've been waiting so long

Now nothing I can say

I'm never letting go
If you're never letting go
I'd lost everything if I lose you baby
I'm never letting go
If you're never letting go
They say nothing's forever
But I want you forever baby
Forever, I want this forever
Forever, I want you forever, baby
Forever, I want this forever
They say nothing's forever
But I want you forever

I'm never letting go
Don't want you to let us go
Stay with me baby
I just wanna love you till you scream
Say it, baby!
We don't have to play no games
I'll love you forever

I'm never letting go
If you're never letting go
I'd lost everything if I lose you baby
I'm never letting go
If you're never letting go
They say nothing's forever
But I want you forever baby
Forever, I want this forever
Forever, I want you forever, baby
Forever, I want this forever
They say nothing's forever
But I want you forever
