

# Mariusz Mrówka, Here Without You (Przesłuchania)

A hundred days have made me older  
Since the last time that I saw your pretty face  
A thousand lies have made me colder  
And I don't think I can look at this the same  
But all the miles that separate  
Disappear now when I'm dreaming of your face

I'm here without you baby  
But you're still on my lonely mind  
I think about you baby  
And I dream about you all the time  
I'm here without you baby  
But you're still with me in my dreams  
And tonight it's only you and me

The miles just keep rollin'  
As the people leave their way to say hello  
I've heard this life is overrated  
But I hope that it gets better as we go

I'm here without you baby  
But you're still on my lonely mind  
I think about you baby  
And I dream about you all the time  
I'm here without you baby  
But you're still with me in my dreams  
And tonight girl its only you and me

Everything I know, and anywhere I go  
It gets hard but it wont take away my love  
And when the last one falls  
When it's all said and done  
It gets hard but it wont take away my love

I'm here without you baby  
But you're still on my lonely mind  
I think about you baby  
And I dream about you all the time  
I'm here without you baby  
But you're still with me in my dreams  
And tonight girl its only you and me
