

Mark Knopfler, Alison

Oh, it's so funny to be seein' ya after so long girl
and with the way you look I understand that you are not impressed
But I heard you let that little friend of mine
take off your party dress

I'm not gonna get too sentimental
like those other sticker Valentines
'cause I don't know if you are lovin' somebody
I only know it isn't mine

Chorus
Alison,
I know this world is killin' you oh--
Alison,
my aim is true

Well I see you got a husband now
did you leave your pretty fingers flying in the wedding cake?
you used to hold him right in your hand
I bet it took all he could take

Sometimes I wish that I could stop you from talkin'
when I hear the silly things that you say
I think somebody better put out the big light
'cause I can't stand to see you this way

Chorus
