

# Maroon 5, Memories

here's to the ones that we got  
cheers to the wish you were here  
but you're not  
cause the drink bring back all the memories of everything we've been through  
toast to ones here today  
toast to the ones that we lost on the way  
cause the drink bring back all the memories  
and the memories bring back memories  
bring back your

there's time when I remember I did not know no pain  
when I believe in forever , everything would stay the same  
now my heart feel like December, when somebody say your name  
cause I can reach out to call you, but I know I will one day

everybody hurts sometimes  
everybody hurt someday  
everything gon' be alright  
go and raise a glass and say, say

here's to the ones that we got  
cheers to the wish you were here  
but you're not  
cause the drink bring back all the memories of everything we've been through  
toast to ones here today  
toast to the ones that we lost on the way  
cause the drink bring back all the memories  
and the memories bring back memories  
bring back your

now my heart feel like November, and it's lightening up the dark  
I read these stories for ya  
and you know I never drop

everybody hurts sometimes  
everybody hurt someday  
everything gon' be alright  
go and raise a glass and say, say
