

MARUV, Focus On Me

Under, under, under.
You're under, under, under my skin.
I want you, want you, want to come in.
I'll show you, show you, show you right here.
What you're doin' to me?
Come here.

Oh, do you feel the same, strong attraction?
Now I'm looking on the aim, your direction.
Now pretty, pretty girl, pay your attention,
pay your attention.
Do you feel the same, strong attraction?
Now I'm looking on the aim, your direction.
Now pretty, pretty girl, pay your attention.

You'd better focus on me [4x]
Under, under, under.

Pull in, pull in, pull in so fast.
Explodin' like a bomb, such a blast.
You'll show me, show me, show me tonight.
What you've got on your mind?
Hold tight.

I hit the honest guy, in the city.
Check in on my ass, damn and pretty.
Wanna have so fun, don't you sweetie?
Don't you sweetie?
I hit the honest guy, in the city.
Check in on my ass, damn and pretty.
Wanna have so fun, don't you sweetie?

You'd better focus on me [4x]
Under, under, under.

Oh, do you feel the same? Oh.
Do you feel the same? Oh.
Oh, do you feel the same? Oh.
Do you feel the same? Oh,

Das ist fantastisch.
