Mary J. Blige, As

[GM]

As around the sun the earth knows she's revolving And the rosebuds know to bloom in early May

Just as hate knows love's a cure

You can rest your mind assured

That I'll be lovin' you always

As now can't reveal the mystery of tomorrow

But in passing will grow older every day

Just as all is born is new

You know what I say is true

That I'll be lovin' you always

[AII]

Until the rainbow burns the stars out of the sky

Until the ocean covers every mountain high

Until the day that eight times eight times eight is four

Until the day that it's the day that I'm no more

[MJB]

Did you know that true love asks for nothing

Her acceptance is the way we pay

Did you know that life has given love a guarentee

That last through forever

Another day

[GM] As today I know I'm living for tomorrow

Couldn't make me be the past but that I mustn't fear

[MJB] Now I know deep in my mind

The love of me I left behind

[GM] And I'll be loving you always

[1 - AII]

Until the rainbow burns the stars out of the sky

Until the ocean covers every mountain high

Until the dolphins fly and parrots live at sea

Until we dream of life and life becomes a dream

Until the day is night and night becomes the day

Until the trees and seas just up and fly away

Until the day that eight times eight times eight is four

Until the day that it's the day that I'm no more

[GM] Did you know that true love asks for nothing

[MJB] (True love don't wanna pay)

[GM] Her acceptance is the way we pay

Did you know that life has given love a guarentee

To last through forever

[MJB] Another day

[GM] As around the sun the earth knows she's revolving

And the rosebuds know to bloom in early May

[MJB] Now I know deep in my mind

The love of me I left behind

[GM] That I'll be lovin' you always

[Repeat 1]

Always

Always

[Repeat 1]
