

# Mary J. Blige, Can't Hide From Love

I'm comin for you,  
I aint wastin time.  
Cuz all night lord,  
you been on my mind.  
Hope your ready baby,  
cuz I'm on my way.  
To talk a real good one,  
but let's see today.  
I just want to see what your made of.  
Can you handle me are you really tough?  
Lovers come and go,  
so what you gonna do. (Whatchu gonna do baby)  
Boy this aint no joke,  
it's time to show and prove. (Show me, show me)

[Chorus]

You can't hide from love, (hide from love)  
No you can't babe (Imma make you want it).  
I'mma make you want, make you want my love, want to make love, come to me  
You can't hide from love,  
It's too strong babe.  
I'mma make you want, make you want my love, want to make love, come to me  
Now that I got cha,  
this is what I'm gonna do.  
Boy I need nobody,  
to move like I move.  
Wrap your arms around me,  
and dont be shy.  
What you feel is a real woman ,  
probably for the first time.

[Refrain]

I just want to see what your made of.  
Can you handle me are you really tough?  
Lovers come and go,  
so what you gonna do. (Whatchu gonna do baby)  
Boy this aint no joke,  
it's time to show and prove. (Show me, show me)

[Chorus]

You can't hide from love, (hide from love)  
No you can't babe (Imma make you want it).  
I'mma make you want, make you want my love, want to make love, come to me  
You can't hide from love, (hide from love)  
It's too strong babe.  
I'mma make you want, make you want my love, want to make love, come to me
