

Mary J. Blige, Confrontation

[Kap]

Funk Flex, Big Kap

Mary J, Def Jam, let's go

[1 - Mary J. Blige]

Confrontation, confrontation

Confrontation, confrontation

Confrontation, confrontation

Confrontation, confrontation

[Mary J. Blige]

Are you mad because I turned it around?

But if I stayed the same

You would still be running your mouth, oh

You never doubt the Queen of Hip-Hop soul

I never let you down cause I'm on a roll

My new cd is in your store

So pick it up and feel my soul

[Repeat 1]

[Mary J. Blige]

Everybody wants to know where I've been

Cause living life the way I do seems to be a sin, oh

But that stuff follows me everywhere I go

Get out of hair cause shit is out of control

Don't come too close to cause you never know

What I would do if you disrespect me

[Repeat 1 till end]
