Mary J. Blige, I Never Wanna Live Without You

Can't live without you (Can't live without you) Can't live without you, baby (Ohhh) Can't live without you

[Chorus]

I never wanna live without you baby I wanna be your lady Love is sooo amazing

I never wanna live without you baby I wanna be your lady Love is sooo amazing

[Verse 1]

What is this feeling? I can't sleep at night Just thinking 'bout being without you Work 'til I'm tired and I can't eat a bite 'Cause I know someday is only...

[Chorus]

[Verse 2]

I have the man that I want
I prayed so many nights for you and then my prayers came true
Now that I have the answer, I'll be wishing on a star
I'll follow you where you are

I don't wanna be alone so baby let's stay together Through any kind of weather, yeah Let's make a happy home because you mean so much to me baby That's why I wanna be your lady

[Chorus 2x]

I don't wanna be alone so baby let's stay together Through any kind of weather Let's make this a happy home because you mean so much to me baby That's why I wanna be your lady

[Chorus]

Baby, won't you stay with me a little while? (Baby, won't you stay?) Baby, won't you stay with me a little while? (Stay with me for a little while) Baby, won't you stay with me a little while? (All I wanna know is...) Baby, won't you stay with me a little while? (...can you stay?) Won't you stay with me? I need you Oh, I need you I need your warm embrace I need your sweet, sweet taste, baby C'mon, c'mon. C'mon, C'mon Stay with me Stay, stay
