

# Mary J. Blige, It's On

(feat. R. Kelly)

[Chorus]

And it's on, and it's on,  
and it's on, and it's on,  
And it's on tonight  
It's about time that we met  
And it's about time a love I won't forget  
[repeat]

[Vs.1]

[R. Kelly:]

For so long I've waited for the chance  
To be with you  
And to lie with you baby  
In my dreams I take you by the hand  
In our house on the beach  
Making love on jet black sand

[Bridge:]

Baby finally the time  
Has come for us to share  
The joy that we will need  
And nothing can compare

[Chorus]

[Vs.2]

[Mary J:]

I waited all my life  
Boy for you to come along  
And make that joyful sacrifice  
Two kids, a dog, and a home  
Is like a dream come to life  
When I look into your dazing eyes

[Bridge]

[Chorus]

All my life I've waited  
To get next to you  
You, baby you  
And every night I've prayed  
Your love would come my way  
And finally the time  
Has come for us to be lovers

[Chorus]
