

Mary J. Blige, My Life (Through The Spirit In Your Eyes)

Oooh

(My life, my life, my life, my life)

Chorus

If you looked in my life

And see what I've seen...

If you looked in my life

And see what I've seen...

(My life, my life, my life, my life)

Verse 1

Life can be only what you make it

When you're feelin down

You should never fake it

Say what's on your mind

And you'll find in time

That all the negative energy

It would all cease

And you'll be at peace with yourself

You won't really need no one else

Except for the man up above

Because he'll give you love

(My life, my life, my life, my life)

If you looked into my life

Chorus

Verse 2

Take your time

Baby don't you rush a thing

Don't you know, I know

We all are struggling

I know it is hard

But we will get by

And if you don't believe in me

Just believe in "He";

Cause he'll give you peace of mind

Yes he will

And you'll see the sunshine

For real, yes you would

And you'll get to free your mind

And things will turn out fine

Oh, I know that things will turn out fine

Yes they would, yes they would

Chorus(repeat until end)
