

Mary J. Blige, No more drama

So tired, tired of these drama
No more, no more
I wanna be free
Im so tired, so tired
Broken heart again
Another lesson learn
Better know your friends
Or else you will get burn
Gotta count on me
Cause I can guarantee
That ill be fine
No more pain (no more pain)
No more pain (no more pain)
No drama (no more drama in my life)
Noones gonna make me hurt again
What a player fool
Go through ups and downs
Nowhere and all the time
You wouldnt be around
Or maybe I like the stress
Cause I was young and restless
But there was long ago
I dont wanna cry no more
No more pain (no more pain)
No more game (no more game messin with my mind)
No drama (no more drama in my life)
Noones gonna make me hurt again
No more tears (no more tears, Im tired of cryin everynight)
No more fears (no more fears, I really dont wanna cry)
No drama (no more drama in my life)
I dont ever wanna hurt again
Wanna speak my mind, wanna speak my mind
Uh, it feel so good
When you let go
Avoid these drama in your life
Now youre free from all the pain
Free from all the game
Free from all the stress
So bye your happiness
I dont know
Only God knows where the story is
For me, but I know where the story begins
Its up to us to choose
Whatever we win or loose
And I choose to win
No more pain (no more pain)
No more game (tired of your playin game with my mind)
No drama (no more drama in my life)
No more, no more, no more, no more
No more tears (no more tears, no more cryin every night)
No more fears (no more waking be up in the morning)
No drama, no more in my life
No more drama, no more drama
No more drama, no more drama
No more drama
No more drama
No more drama
No more drama
No more drama
No more drama in my life
So tired, tired of these drama
