

Mary J. Blige, No More Drama

So tired, tired of all this drama
You go your way and I'll go my way
(No more, no more)
I need to be free
I'm so tired, tired, tired from all this drama

Broken heart again
Another lesson learned
Better know your friends
Or else you will get burned
Gotta count on me
Cause I can guarantee
That I'll be fine

(No more pain), No more pain
(No more pain), No more pain
(No drama), No more drama in my life
(No more in my life)
No one's gonna make me hurt again

Why'd I play the fool
Go through ups and downs
Knowing all the time
You wouldn't be around
Or maybe I like the stress
Cause I was young and restless
But that was long ago
I don't wanna cry no more

(No more pain), No more pain, no more pain
(No more games), No more games
Messin' with my mind
(No drama), No more drama in my life
(No more in my life)
No one's gonna make me hurt again, no more
(No more tears)
No more tears, I'm tired of crying every night
(No more fears)
No more fears, I really don't wanna fight
(No drama), No more drama in my life
I don't ever wanna hurt again
Wanna speak my mind, I wanna speak my mind
Go 'head

Ooh, It feels so good
When you let go of all the drama in your life
Now you're free from all the pain
Free from all the games
Free from all the pain
Free from all the stress
So find your happiness
I don't know
Only God knows where the story ends for me
But I know where the story begins
It's up to us to choose
Whether we win or loose
And I choose to win

(No more pain)
No more pain, no more pain, tired of hurting
(No more games)
Tired of your playin' games with my mind
(No drama), No more drama in my life
(No more in my life)

No more, no more, no more
No more, no more, no more
(No more tears)
No more tears, no more crying every night
(No more fears)
No more waking be up in the morning with your disturbing phone calls
(No drama), Leave me alone, go ahead
(No more in my life)

(No more pain), No more, I'm tired
(No more game)
No more games, I'm tired, I'm so tired
(No drama), No more, no more
(No more in my life)
No more, no more, no more, no more, no more

(No more drama)
I'm tired of all the drama
(No more drama)
Go 'head, go 'head
(No more drama)
Your demons gettin' out of my face
Goin' out my life
(No more drama)
I'm about to lose my mind
Lord help me, help me sing

No more drama...

Oh help me sing
I need a piece of mind
A piece of mind, piece of mind
Well, I need
I need to know that you agree
oh no, oh no
No more, no more, no more drama
No more drama in my, in my life

So tired, I'm so tired
So tired, tired of all this drama
Go ahead with all your drama
