## Mary J. Blige, Not Gon

(vs.1) While all the time that I was loving you You were busy loving yourself I would stop breathing if you told me to Now youre busy loving someone else Eleven years out of my life Besides the kids I have nothing to show Wasted my years a fool of a wife I shoulda have left your ass a long time ago (chorus) Well Im not gon cry, Im not gon cry, Im not gon shed no tears No, Im not gon cry, Its not the time Cuz youre not worth my tears Well Im not gon cry, Im not gon cry, Im not gon shed no tears No, Im not gon cry, Its not the time, Cuz youre not worth my tears (vs.2) I was your lover and your secretary Working every day of the week Was at the job when no one else was there Helping you get on your feet Eleven years of sacrifice And you can leave at the drop of a dime Swallowed my fears, stood by your side I shoulda left your ass a thousand times (chorus) I know there are no guarantees In love you take your chances But somehow it seems unfair to me Look at the circumstances Through sickness and health till death do us part Those were the words that we said from our hearts So now when you say that youre leaving me I dont get that part (repeat vs.2) (chorus)
